

Helen Storr

Leadership and Executive Coach
mBit Facilitator

Helen is a talented intuitive Executive Coach who has the ability to allow all her clients to reach their full potential. Her extensive 37 years of experience as an educator including Teacher, Principal & Regional Leader have provided her with a thorough understanding of the different ways in which people communicate & learn.

As a past educator, Helen continues her passion for education & has an in-depth understanding & knowledge of the processes, structures & challenges of the education system. She uses these skills throughout her Consulting, Change Facilitation & Executive Coaching sessions & celebrates all her client's achievements with them.

Helen is an experienced trainer who has worked successfully with individuals, teams & organisations. She was the President of the International Coach Federation Victorian Chapter in 2012 & is passionate about sharing the benefits of coaching with others to enhance their personal/professional lives.

Helen's experience includes working with large Multi Nationals and Senior Educators as well as SMEs, to assist them in enhancing their performance in the workplace.

Her expertise & key interests focus around these 4 themes:

- **Executive Consulting:** Broad experience advising Educationalists/School Leaders (Opening/Merging/Closing Schools)
- **Change Facilitation:** Vision/Strategy Clarification; People-centred Values-based Leadership & Cultural Change
- **Executive Coaching for Behavioural Change:** Developing High Performing Teams (HPTs) in Education/Schools
- **Project Management:** Simplification/Optimisation - Energising people for innovative & effective Action Orientation

Qualifications:

- Certificate of Professional Coaching
